NOVELTIES

FOR
1921

ALSO RECENT NOVELTIES AND SPECIALTIES

OF INTEREST TO ALL UP-TO-DATE GARDENERS

NOTE*—Novelties are sent out in original packets. Descriptions are those of introducers.

EUROPEAN AND AMERICAN NOVELTIES

NEW ANTIRRHINUMS

ANTIRRHINUM MAJUS GRANDIFLORUM

"Rose King"

With this novelty we bring a new and distinct shade into the tall, large-flowered class. The plant throws up a noble spike bearing immense flowers of a brilliant carmine rose, deepening towards the centre. Makes a glow of color of splendid effect. Per pkt., 60c.

FIVE ANTIRRHINUM NANUM GRANDIFLORUM VARIETES

"Enchantress"

This charming new variety is a pure pink self. It has been described by a color expert as an almond blossom pink. The flowers are of large size. A valuable feature of this novelty is its extreme earliness. Per pkt., 60c.

"Gloria"

Novelties in this grand section of Antirrhinums are always welcome. The flowers are very large, of a rich deep rose and prettily fringed. Of sturdy yet elegant habit. Per pkt., 60c.

"Golden Monarch"

A magnificent new sort. Very large flowers of a splendid golden yellow. The finest yellow Snapdragon yet obtained. Per pkt., 60c.

"Matchless"

A meritorious feature of this new sort is its prominent centre spike. The stems are all thickly studded with flowers of a brilliant apricot buff with yellow centre, producing a rich glowing effect when massed in groups or borders. Per pkt., 60c.

"Victory"

The individual blooms of this fine new sort are of a truly mammoth type. The flowers are of a rich terra-cotta orange, shading to yellow in the centre; a most striking shade which attracts the eye wherever it may be placed. Per pkt., 60c.

Seven Grand New Sorts of Giant-Snapdragon

ANTIRRHINUM MAXIMUM

"Golden Queen"

Splendid deep golden-yellow with rosy-lilac throat. The flowers are so closely packed along the shaft that it often resembles one of Gladiolus. The plants are somewhat shorter than those of the other varieties. A whole bed of such a profusion of bright gold is a sight! Per pkt., 50c.

"Canary-Bird"

A pure and delicate canary-yellow without any different shades or markings; of great beauty. Per pkt., 50c.

"Snowflake"

Lovely pure white with fine yellow throat; one of the most important varieties. Per pkt., 50c.

"The Rose"

Flowers of extraordinary size and the same fine and tender rose color as "Rose Queen" in the grandiflora class. Per pkt., 50c.

"Cattleya"

A very delicate rosy-lilac, over which is spread a silvery lustre, lip golden yellow. Per pkt., 50c.

"Copper-King"

Rich, velvety and glossy copper-scarlet. The flowers open bright scarlet, later on it matures into a warm coppery hue. Per pkt., 50c.

"Diamond"

Carmine-scarlet with golden-yellow lip and lilac-red throat; the three colors make a grand effect. Per pkt., 50c.

ASTER OSTRICH PLUME

"Snow Queen"

The blooms are really magnificent, of splendid shape with very full centres, and of the purest snowy white. We can confidently recommend this novelty for garden decoration and for cutting. Per pkt., 50c.

NEW AMERICAN BEAUTY ASTERS

Lavender Beauty, Grey Lavender Pkt., 50c.
September Beauty, Flesh Pink Pkt., 50c.
Purple Beauty, Violet Purple Pkt., 25c.
Carmine Beauty, Carmine Rose Pkt., 25c.

BRACHYCOME IBERIDIFOLIA

"Summer Beauty"

We think the present novelty will enhance the popularity of this charming West Australian species. Of about 8 inches in height, the plant forms erect little bushes, thickly bespangled with flowers of pleasing soft mauve tint, with a dark centre which shows up the prevailing shade most effectively. Per pkt., 50c.

BROWALLIA SPECIOSA GRANDIFLORA ALBA

The much branched plants, elegant in habit, about 15 inches high, are for the greater part of the year covered with pure white star-like flowers, splendid for outside planting and unrivalled as a pot plant. Per pkt., 50c.

CALLIOPSIS NANA

"The Garnet"

Growing 1½ to 2 feet in height, it expands into a bush 2 or 3 feet across, literally covered by a multitude of glossy crimson scarlet flowers, which illuminate the garden with a blaze of color—seven to eight hundred have been counted on one plant. We recommend all lovers of this showy genus to give this novelty a trial. Per pkt., 50c.

CALCEOLARIA, RACEMOSA HYBRIDA

A quite new type in the shrubby class, of sturdy growth, about 2 feet high. The rich varied colors appear in a wide range from clear yellow to deep, dark brown. Per pkt., 50c.

CANTERBURY BELLS DOUBLE

"Violet King"

New variety, has a distinct shade of color—a lovely deep violet—the plant is elegant, 2 to 2½ feet in height. This combination of habit and novelty of color will ensure it a cordial reception by every gardener. Per pkt., 50c.

CHRYSANTHEMUM MAXIMUM

"Mayfield Giant"

Truly a Giant Daisy, Large Snow-White well formed flowers, bearing a double row of petals and produced in great profusion on long stout stems excellent for cut flowers. Per pkt., 50c.

CYCLAMEN PERSICUM GIGANTEUM

"Brilliant Salmon Scarlet"

The Brightest color in Cyclamen being the nearest approach to scarlet that we have seen, perfect habit and exceptionally free flowering. Per pkt., 60c.

European and American Novelties for Season 1921—Continued.

LOBELIA ERINUS COMPACTUS

"Blue Bird"

This novelty, though smaller in habit than Blue Wings, is somewhat larger than Mrs. Clibran, and possesses a distinct white eye, and forms in the mass a sheet of bright ultramarine blue which will be found most satisfactory and effective for all bedding schemes. Per pkt., 50c.

MALOPE GRANDIFLORA PRAECOX

Newly selected strain, about a fortnight earlier flowering than the well-known very ornamental and showy tribe so useful for border and cutting purposes. Per pkt., 50c.

MALOPE GRANDIFLORA PRAECOX ALBA

White color of the preceding with same qualities. Per pkt., 50c.

STOCK MAMMOTH TEN-WEEK

"Snowdrift"

Really good novelties in Stocks are not of frequent occurrence, and we have every confidence in bringing the present one to the notice of our customers. Though belonging to the Nice or Mammoth class, it blooms much earlier than the other varieties, producing many side stems, each thickly set with snowy white blossoms. Both for bedding and for cutting it is admirably adapted. Per pkt., 60c.

PENTSTEMON HYBRIDUS GRACIELLA

Seedlings sown in gentle heat during February-March will flower the same year about beginning of September. The erect and diffusely branched panicle reaches about one to two feet, with often 15 flowers, these single flowers being about 2 inches in length and 1 inch in diameter. Colors vary from nearly white to deep crimson with shades of lilac and violet. Per pkt., 50c.

MARIGOLD AFRICAN

"Orange Prince"

We now present a symmetrical and compact plant not exceeding 2 feet in height, bearing from ground to summit large and well-formed flowers of a glowing orange. Per pkt., 50c.

STATICE SINUATA

"Rosea Superba"

The flowers of our new strain are of a consistent bright rose tint, and it will doubtless prove a valuable acquisition, as a good rose shade has long been sought after as a worthy companion to the blue and white varieties. Per pkt., 50c.

WALLFLOWER—"Golden Mascott"

A sterling novelty, and quite distinct from any existing Yellow Wallflower, Habit, Sturdy, Erect and Compact Flowers large, and a clear golden yellow. Very early, and free flowering. Per pkt., 50c.

NOVELTIES IN SWEET PEAS FOR 1921

"Picture"

"A Wonderful and Sensational Variety"

In the opinion of experts and leading exhibitors, "Picture" marks the highest development and greatest advance up to date. Its size is enormous, form superb. The stems have been cut at 22 inches, four blooms are the minimum, sixes being frequent, and occasionally as many as eight perfect blooms have been carried on a stem. The color is flesh-pink, fascinatingly suffused creamy apricot. Per pkt. (10 seeds) 75c.

Myrtle

One of the most interesting novelties yet introduced, the half-open buds are the nearest to yellow yet seen. In the early stages, the flowers are creamy yellow, and as they develop, there appears, as if by magic, a bright band of violet-rose, resembling a rainbow. Per pkt. (10 seeds), 50c.

Bridesmaid (Dickson)

The finest cream pink Sweet Pea. Produces very long stems carrying four and often five magnificent flowers. Per pkt. (12 seeds), 50c.

Mascotts Helio (Ireland & Hitchcock)

Flowers of excellent form and all fours, standard rosy tint, mixed with bronze. Wings tend to lavender. Per pkt. (12 seeds), 50c.

Mascotts Scarlet (Ireland & Hitchcock)

A handsome pea of fine size, bearing four on every spike. The color is a dense rich shade of scarlet. Per pkt. (12 seeds), 50c.

Le Mahdi (Ireland & Hitchcock)

(Award of Merit, R. H. S. 1920)

The flowers are large, wavy, and of a rich, beautiful shade of purple. They are close together on the stem carrying four flowers. Per pkt. (12 seeds), 50c.

Hawlmarm Lavender (Dickson)

(Award of Merit, R. H. S. 1920)

Without doubt, the purest lavender Spencer yet offered. Gives abundance of long flower stems, carrying four large, beautifully waved flowers. Per pkt. (12 seeds), 50c.

Hawlmarm Maroon (Dickson)

(Award of Merit, R. H. S.)

The best of all dark colored Sweet Peas. The color is unique—a rich red maroon. Per pkt. (12 seeds), 50c.

Gladys

Lovely shade of pure lilac, self without objectionable rose tint. Strong grower, free bloomer, nearly all fours. A.M. R.H.S. Silver Medals, York, Birmingham, Chelsea. Per pkt. (12 seeds), 50c.

Giant Attraction

Warm shell pink, standards give duplex and triplex petals, often over 3 inches. Per pkt. (12 seeds), 50c.

Sensation

Rich, dazzling scarlet, far ahead of any in this color. Per pkt. (12 seeds), 50c.

Caress (Dickson)

One of the most delightful Sweet Peas. Produces long stems, carrying four perfectly formed and frilled flowers, of a most pleasing shade of soft rich shell pink, deeply toned and suffused cream buff. Per pkt. (12 seeds), 50c.

Rosalind

This novelty is a distinct and valuable addition. The flowers are a most pleasing shade of bright, deep rose. The rich color is heightened by the soft salmon-like suffusion toward the base of standard and wings. Award of Merit, Pa. Hort. Society, 1920. Per pkt. (12 seeds), 35c.

Improved Margaret Atlee

Margaret Atlee, which has hitherto held "Pride of Place" as being the best cream-pink Sweet Pea, must now take second place to this greatly improved form. Award Merit, Pa. Hort. Society, 1920. Per pkt. (20 seeds), 25c.

"Mildred Howard"

(Award of Merit, R. H. S. 1920)

A splendid new Sweet Pea; color a bright warm shade of pink on a cream or buff ground. The flowers are of giant size, and it will certainly take a leading place wherever exhibited. Per pkt. (12 seeds), 50c.

RECENT NOVELTIES AND SPECIALTIES

FOUR NEW ANTIRRHINUMS

"Peace"

Of compact growth, not exceeding 15 inches in height, and with distinct narrow foliage, this beautiful new variety bears shapely flowers of a lovely rose pink with slight salmon shading. Per pkt., 50c.

"Purity"

The flowers are pure glistening white. Of compact habit, the plant is of unsurpassed value for bedding purposes. Per pkt., 50c.

"Silver Queen"

Flowers of a clear, silvery lilac, a coloring quite unique in the genus up to date. Per pkt., 50c.

"Torchlight"

Flowers a vivid orange with yellow centre, slightly tinted with carmine above. Per pkt., 50c.

Recent Novelties and Specialties—Continued.

CALCEOLARIA

"Buttercup"

(Award of Merit, R. H. S., May, 1918)

This very attractive and gorgeous hybrid will prove the most decorative of all for the cool conservatory or for summer bedding. Its large, vivid golden yellow flowers are produced in great abundance on stout wiry stems. Per pkt., 50c.

NEW CALLIOPSIS TOM THUMB

"Star of Fire"

The plant is one foot in height, a mass of bloom, with Cactus-shaped, fiery red-colored flowers, brighter than any Calliopsis previously introduced. Per pkt., 25c.

CLARKIA ELEGANS FL. PL.

"Dorothy"

A brilliant rose, identical in color with the well-known climbing rose "Dorothy Perkins." The flowers are very double. A lovely new shade in this fine class of Clarkia. Per pkt., 50c.

NEW DOUBLE CRESTED COSMOS

These beautiful cosmos, which are commonly called double, are not fully double, but are double crested, having double centres and a row of petals around the base of the flower.

Pink Beauty, Soft Pink Per pkt., 50c.

Crimson King, Dark Crimson Per pkt., 50c.

White Queen, Pure White Per pkt., 50c.

DAHLIA

"Peter Pan"

A charming novelty. The compact little bushes do not exceed 18 inches to 2 feet. Flowers anemone-shaped. The coloring is bright and most varied in character. Per pkt., 50c.

DELPHINIUM

(ANNUAL) "Blue Gem"

The height of the plant is 9 to 12 inches, and the flower is large and of a beautiful deep blue. It makes an excellent pot plant. Per pkt., 50c.

PERENNIAL PINKS

Miss Gladys Cranfield

Immense well-formed flowers, bright rose pink, with crimson eye, very fragrant. Per pkt., 50c.

Crimson Bedder

Brilliantly colored flowers, ranging from crimson scarlet to deepest shades of blood red. Per pkt., 50c.

THE BLUE LACE FLOWER

"Queen Ann's Lace"

An old, almost forgotten, favorite. This lovely Annual has again become extremely popular, on account of its beautiful lace-like flowers of a delightful lavender blue color. Per pkt., 50c.

TWO NEW LOBELIAS

"Blue Wings"

A splendid new Lobelia of brilliant effect. The fresh green foliage becomes entirely hidden by a sheet of bloom of a lovely deep ultramarine blue. Per pkt., 50c.

"Tenuior Compact"

In our new strain the plant does not exceed 4 to 5 inches in height, and produces its large cobalt blue flowers very freely, the effect of the color being enhanced by a clear white eye. It should prove of great value for bedding purposes. Per pkt., 50c.

LUPINUS

Laxton's Hybrids (New)

A new strain of perennial Lupins. The colors include nearly all shades of blue, yellow and rose and combinations of the same tints in various forms. Many are sweet scented. Per pkt., 75c.

LUPINUS

"Regal Lupins" (Harkness) New

A grand strain, embracing innumerable new and delicate tints. Hardy perennials. Per pkt., 75c.

LYCHNIS

Lychnis Arkwrightii (New)

A new herbaceous border plant, also eminently adapted for Summer bedding, making a gorgeous and long-lasting display, in many new and lovely colors. Per pkt., 25c.

PETUNIA

"Violet Queen"

A magnificent bedding variety. Color, a rich violet blue. Per pkt., 50c.

BAKER'S SUNBEAM POPPIES

Award of Merit, R. H. S. A new race of perennial Poppies. Flowering from May till October they are ideal plants for hardy border or bedding work, and as cut flowers they will be used as freely as Sweet Peas. Per pkt., 50c.

NEW DOUBLE ANNUAL POPPIES

"Ryburgh Hybrids"

Plants of bushy habit, carrying long stemmed flowers in charming shades of flesh, salmon, orange, and various shades of rose and carmine. Excellent for cut flowers. Per pkt., 50c.

DOUBLE QUEEN POPPIES

A most lovely strain of hardy annual Poppies, producing in abundance flowers of the Shirley type but double, of the most delicate and brilliant colors, ranging from palest pink through shades of rose and salmon to rosy-scarlet. Height, 2 feet. Exquisite as cut flower. Per pkt., 50c.

NEW DOUBLE WHITE PRIMULA

"Malacoides Alba Plena"

(Award of Merit, Royal Horticultural Society)

A novelty of sterling value, and easily cultivated, as is the well-known and deservedly popular Malacoides single. The flowers are produced in great profusion. Per pkt., \$1.00.

PRIMULA MALACOIDES PL. FL.

A double or semi-double form of the variety P. Malacoides Superba. The flowers are a deep rosy pink of good size and form. An excellent pot plant. Per pkt., 50c.

PRIMULA EUREKA

Award of Merit

Eureka is akin to Obconica, but of an entirely new form. The compact flower heads have more the appearance of "Sinensis," large, well-shaped flowers, with broad, over-lapping petals and are carried well above the foliage on stout stems; are of a rich, rosy carmine, shaded cerise. The foliage is also quite distinct. It is practically perpetual flowering. Per pkt., \$1.00.

PRIMULA

"Malacoides Superba"

A new and improved variety, flowers larger and much deeper in color than the old Malacoides. The color is deep rosy pink, a great improvement. The habit of the plant is also better than the old variety. Per pkt., 50c.

PRIMULA SINENSIS FIMBRIATA, FL. PL.

New Giant Double Snow White (Novelty)

A perfect double Primula, flowers purest white, large and well fringed, a great improvement. Per pkt., \$1.00.

THREE NEW GIANT VERBENAS

"Rose Queen"

This superb new variety bears flowers of a lovely delicate rose. The individual blooms are unusually large, often exceeding 1 inch and sometimes attaining 1½ inch in diameter. Per pkt., 50c.

"Scarlet Queen"

Produces flowers of the most vivid scarlet. The blooms often exceed an inch in diameter and nothing finer can be conceived for striking bedding effects. Per pkt., 50c.

"Snow Queen"

A really giant-flowered Verbena. Of a pure, snowy white, and nothing can exceed it for the decoration of beds and borders. Per pkt., 50c.

THREE NEW STREPTOCARPUS

"Southgate White"

A grand pure white variety, fine erect bold flowers, good substance; comes true from seed. Award of Merit, Holland House. Per pkt., \$1.00.

"Southgate Mauve"

A giant Streptocarpus of the same habit as "Rose Queen." A beautiful soft mauve self in color. Per pkt., \$1.00.

"Rose Queen"

The finest rose pink Streptocarpus in cultivation; the flowers are of enormous size and of a delightful rose pink self color with white throat. This is a great acquisition and comes true from seed. Award of Merit, Holland House. Per pkt., \$1.00.

SALVIA "Forest Fire"

For effect Forest Fire is unsurpassed. The plant when in full bloom is about 3 feet high. The individual spikes, which are of a brilliant scarlet, measure 6 inches across. Pkt., 25c.; ¼ oz., \$2.00.

SCHIZANTHUS WISETONENSIS

"Pink Pearl"

In every respect equal to its parent—the beautiful "Snowflake." The glistening white of the corolla is set off by a broad rosy pink margin on the wing and lip petals. Elegant pyramidal habit. As pot plants these are unsurpassed. Per pkt., 50c.

Recent Novelties and Specialties—Continued.

SUNFLOWER

"Dazzler"

Growing 3 to 4 feet high, the plant branches freely and bears flowers about 4 inches across, of a rich chestnut, tipped orange, with a darker centre, in general appearance somewhat resembling a *Gaillardia grandiflora*. Per pkt., 50c.

SIDALCEA

"Rose Queen"

Raised by a famous Irish Nurseryman, who describes it as "The finest Hardy perennial ever introduced," each plant develops a sheaf of spikes 5 to 6 ft. high, well furnished, with beautiful rose colored flowers, during June and July. Per pkt., 50c.

HELIOTROPE "Regale" Dwarf Giant Flowered Heliotrope. This is a very fine improved variety of dwarf habit—Flowers early with large masses of bloom. Per pkt. 25c.

FOUR NEW ZINNIAS

The Dahlia Flowered Zinnia

This is unquestionably the best of novelties in Zinnias. The flowers have a wide range of color, including beautiful shades of Chestnut-Orange, Tyrian-Pink, and other pleasing combinations of colors never seen in Zinnias before. Per pkt. 50c.

"Rose King"

A variety bearing flowers of a beautiful carmine rose tint, a color which did not hitherto exist in this section. The flowers are of immense size, probably surpassing those of any other Zinnia. Per pkt., 50c.

"Double Giant Picotee"

Resembling Picotee Carnations, Orange, Flesh, Lemon, Pink and Cerise. This fine novelty has been pronounced the most attractive thing in Zinnias. All colors mixed. Per pkt., 50c.

"Achievement"

The raising of this beautiful new Zinnia is undoubtedly an "achievement." Its petals are partially tubular at the base and expand in a cactus-like form toward the tip, displaying a rich variety of color, such as pale rose, deep rose, salmon, lilac, scarlet and coppery golden yellow. Per pkt., 50c.

NOVELTIES AND SPECIALTIES IN VEGETABLE SEEDS

CUCUMBER

"Every Day"

(First-class certificate, Royal Horticultural Society)

This Cucumber was raised at the Royal Gardens, Windsor. It is dark-skinned, very handsome in shape, most prolific, and of splendid flavor. It has hardly any neck, but a nice sloping shoulder. Per pkt., 50c.

LEEK

"Renton's Monarch"

A splendid leek for exhibition. The foliage is dark green and handsome. Very long in the blanched portion, and very hardy. Per pkt., 50c.

LETTUCE

Kelways Silver Cos

The most highly selected White Cos Lettuce in Cultivation. Grand for exhibiting. Per pkt., 25c.

Veitch's Scarlet—Fleshed Musk Melon

"King George"

This is one of the best recently raised. It is beautifully netted, emits a rich aroma, and is particularly thick in the flesh. The color is a scarlet orange throughout, the outer skin being green and quite thin. It is exceedingly juicy and the flavor excellent. It is a very free setter and can be grown with or without heat. Per pkt., 50c.

NEW ENGLISH PEA

"The Victor" (Johnson's)

We are positive that no variety produces such enormous pods. Flavor unsurpassed. This variety has been crossed with the sugar pea. Height 2 feet, main crop. Per pkt. (8 oz.), 50c.; 4 pkts., \$1.75.

SWEET CORN (New Early Hybrid)

"De Lue's Golden Giant"

De Lues' Golden Giant has become the standard of perfection for Sugar Corn the world over. It excels all other early varieties in size, productiveness and quality. Sent out in originator's sealed packages. Per pkt. (4 oz.), 50c. Per pkt., (8 oz.), 80c.

ONION

"Cranston's Excelsior"

The true variety, a fine show onion, differs in color from Ailsa Craig and rather more oval in shape. Per pkt., 35c.; 3 pkts. for \$1.00.

ONION

The Victoria Cross (Kelway)

The highest type of yellow exhibition long-keeping onions. New selection. Very large indeed. Per pkt., 25c.

NEW PRICKLY SPINACH (Johnson's)

"The Boston"

An absolutely new strain. Produces very large leaves and remains longer without running to seed, than any other variety. Per oz., 50c.; ¼ lb., \$1.00.

TWO NEW TOMATOES (English Introduction)

"Orange Sunrise"

This superb new tomato is the result of a cross between the best of red and yellow varieties, and bears fruit of a bright orange color. Of rounded form, medium size, and earliness, and appearing in large clusters, it is equally suitable for indoor and outdoor culture. Per pkt., 75c.

"Scarlet Beauty"

A grand new variety. The fruit is of a rich, deep scarlet, measuring about 7 inches around; smooth and glossy, with a deep flesh; almost without a core. Each plant bears a wonderful crop of heavy trusses on short joints, the produce from some plants being as much as 15 to 18 pounds of fruit. It is also a wonderful bearer as a pot plant. Per pkt., 75c.

NEW VEGETABLE MARROW (Hybrid)

"Rotherside Orange"

This new and quite distinct form of Vegetable Marrow has a delicate flavor that pleases all who have tried it. The fruits are globe-shaped of a deep golden color; in appearance it is more like a melon than a marrow. Per pkt., 50c.
